## Southeast Section of the 99s Fall Meeting October 5, 2019 Greensboro, NC

Meeting called to order 0900 by Governor Ramona Banks. She thanked members for attending and thanked the Kitty Hawk Chapter for hosting.

Chapter rollcall by Secretary Janice Pelletti. Quorum declared.

Vice Governor Lois Horne made introductions.

Introduction of past governors:

Corbi Bullock 2007-2009

Myra Bugbee 2015-2017

Mae Marquet 2017-2019

Welcomed International President Jan McKenzie.

Recognition of first-time attendees. Eight are in attendance.

Ramona Banks introduced the SE Section Board:

Vice Governor Lois Horne

Secretary Janice Pelletti

Treasurer Jeanne Burklund

Director Anita Mixon

Director Laurie Reeves

Immediate Past Governor Mae Marquet

Motion called to approve the Spring meeting minutes as corrected. The correction includes the Emerald Angels of the Gulf Coast presentation of the city of Pensacola declaring May 18<sup>th</sup> the official SES 99s' day. Motion by Carol Voss and second by Myra Bugbee. Motion passed to approved minutes as corrected.

Motion request from Teller Committee Chair Carol Voss to destroy 2019 ballots. Motion by Rosemary Gibson and second by Karen Weldon. There was no discussion. Motion passed.

Awards for longest travel to the meeting were presented. Carol Gosling won for longest drive and Myra Bugbee longest flight. Both received gift bags.

TEAM initiative presented by Lois Horne.

Top ideas were explored on why we became 99s and what keeps us in the 99s. It is the teamwork and networking. From those discussions we came up with this initiative. **T**ogether **E**veryone **A**viates **M**ore. We will talk about the TEAM, not just individuals. Being a part of the 99s allows you to achieve your goals, and not just aviation ones. Lois quoted Aristotle's view: *We are the sum of parts are greater than the whole.*

So how do we access the attributes we have as a TEAM? We are starting a program called hangar talks. It will be a teleconference. These will be topics of what the membership wants. The first one is third Thursday in October, more information to follow. Be sure you are getting Constant Contact to stay updated. Check your spam to make sure Constant Contact is getting to you and not sitting in spam folder.

Section officer reports were presented and are attached.

Lois Horne introduced the International Representative President Jan McKenzie. President Jan McKenzie presented the International Board Report.

For many years the membership was static. In 2017, we started a marketing campaign which has resulted in a 25% membership growth. Terry Carbonell is the person behind the marketing idea. Trying to keep members is always important. One way is to try to keep them involved. So please work on making them feel welcome. Jan passed out social media information. New Bylaws and standing rules are coming out. Please look for them. Please think about the Professional Pilot Leadership Initiative (PPLI) if you are interested in a professional career. A little time is left on the scavenger hunt.

We have new International board members and trustees. Directors are Dee Bond and Minnetta Gardinier. 99s Endowment Fund Trustees are Patricia Ohlsson and Virginia Harmer. 99s Museum of Women Pilots Trustees are Dawn Rogers and Sara Rickman. Amelia Earhart Birthplace Museum Trustee is Carole Sutton. Please think about running for the International Board. See International Nominating Committee Member Karen Weldon if you are interested.

Every year we run a video at the International Conference. It highlights pictures and videos of our members. Please send pictures to Terry Carbonell for use in the video.

We now have a find a CFI link on the website. She explained how to use the link and how to register as a CFI.

Reminder of the Nov 2, 2019 anniversary celebration in OK celebrating 90 years.

I'm passing around flyers on our International Awards Please take home these flyers to your chapter and consider nominating someone.

The next agenda item was the financial report from treasurer Jeanne Burklund. She pointed out some of the items on the financial report. There were no questions. Report attached.

Ramona Banks called for committee chair volunteers for the Section. Committee reports are attached.

In person committee reports:

Lois Horne on Airmarking and Virginie Rollin on Education.

Ramona Banks reported on membership and how we are boosting it. She has been sending emails to all new members. All members are now getting emails listing new members in their chapter.

Ramona Banks read the NIFA report on 2019 location and host information. They are requesting more volunteers.

Lois Horne reported on the New Horizon Scholarship committee.

Myra Bugbee reported on Let's Fly Now. She explained what it is and how it works. It encourages young ladies to fly. We do fly other individuals, but the focus is flying young ladies of flying age.

Myra Bugbee reported on the WASP luncheon at Sun N' Fun dates and information on the 2020 event. There will be two WASP attending.

Ramona Banks explained the recurring donations program.

The board has a new project to fund raise with very little effort on the part of the members. International, the Museum of Women Pilots, the AE Birthplace Museum and the 99s trusts all use

this. One of the goals of the SES board is to fund our scholarship and operating costs. Recurring Donations are donations that are charged to a bank card every month. International has used the company Authorize Net to process these donations. The cost is 25 a month for the service and 10 cents per transaction. So, if someone donated \$5, we would get \$4.90. For example, if just half the membership, 450, donated \$1 a month that would raise \$4,860. That is just under what we raised in the cruise raffle last year. Jeanne is willing to set this up and manage it. This could fund two \$2500 scholarship. And of course, some members might be willing to donate more. I am willing to donate \$25 a month for one year to cover the Authorize Net's service fee. The board will look at this fundraiser next year and see if we are raising enough to continue. When donating money, you can choose whether to donate to operating expenses or the New Horizon Scholarship.

The floor was opened for discussion. Lois commented on the profit and loss benefits.

The next order of business was the International Awards.

Every year, the 99s seek nominations for three awards which go to 99s. The Award of Achievement for Contributions to the 99s, The Award of Achievement for Contributions to Aviation and the Award of Achievement for Humanitarian Efforts. Two other awards may be presented to non-99s. The George Palmer Putnam Award in recognition of support to the 99s and the Award of Merit in recognition of contributions to aviation in general. Please try to get the nominations in before Dec. 31 if possible.

Ramona Banks talked about one of her goals as SE Section Governor.

The goal is a SE Section Spring Flyout. Having a fun get together with no meeting and just time to sit and talk. Just fellowship. It is March 14 with following weekend as rain date. I've picked the area of Americus, Georgia at a Historic Best Western Plus Windsor Hotel, an old Victorian hotel. It's open to families and we'll fly into KACJ airport. Ramona will plan to drive on March 20 if both weekends are a washout.

Lois Horne presented the 2020 Air Race Classic stops. She introduced the top SE Section 2019 finishers. Think about being a stop and what is involved. Think about being a volunteer.

Ramona Banks congratulated the Forest of Friendship inductees. Inductees this year were Myra Bugbee, Ellen Herr, and Terry Carbonell. They were nominated by their chapters. Also, inducted this year was President Jan McKenzie.

Ramona Banks welcomed two new chapters.

Mommy Pilots Chapter dissolved and became the Nashville Chapter.

A few of the AL Chapters members wanted to be a chapter at Auburn University. Because of the transient quality of college chapters, the chapter became a wing of the AL Chapter at Auburn College. They are known as The Aviatrixes and is an official student club at Auburn.

Chapter reports presented and are attached.

Florida Heartland report on the 2020 spring Section Meeting. The theme is *I'm Ready...Is My Airplane?* Sebring, FL May 14-17, 2020. The meeting is at the Sebring Hotel at Sebring Raceway.

The Fall 2020 Section meeting will be in October in Greenville, hosted by the Blue Ridge Chapter.

Ramona Banks presented information on the 2020 International Conference in Long Beach on the Queen Mary. It is July 8-12, 2020.

The 2022 International Conference is in Charleston, SC July 7-10, 2022. Ramona Banks will coordinate the hospitality room with the new International committee that organizes the International Conferences.

Announcements: Karen Weldon, please see her if you are interested in running for an International office.

Motion to adjourn. Motion from Carol Voss, second by Terri Bazacos. Meeting adjourned at 1110.

Respectfully Submitted,  
Janice Pelletti

**Vice Governor 2019 Fall Report**

I attended the Spring 2019 Section Meeting at Pensacola, the International Conference in Dayton last July. Last month, I volunteered as the head timer for the 2019 Air Race Classic Start at McKellar Sipes, Jackson, TN.

I have been assisting with planning the Fall 2019 and Spring 2020 Southeast Section meetings. Participated in two Southeast Section Board meeting teleconferences since being elected. I have emailed my buddy chapters of Blue Ridge, Florida Goldcoast and Kitty Hawk offering my assistance in chapter activities. Assisted the Governor in setting the goals during her tenure and assisted with establishing the new Mommy Pilots chapter as the Nashville Chapter.

I am chairing the New Horizons Scholarship Committee for 2019.

Respectfully submitted,

Lois E. Horne  
Memphis Chapter Chair  
SE Section Vice Governor

**Immediate Past Governor 2019 Fall Report**

Turned over all the books and helped new governor transition into office since May.

Attended International Conference in Dayton, Ohio, in July.

Worked with my Chapters that I am the buddy representative. Revitalizing the Florida Firstcoast Chapter, staying in touch with Sarasota who compose many corporate pilots and working to get the St. Croix girls in the air. Corresponding with 3 CFI's who have contacted me to help these St. Croix girls.

Stay in contact with other officers to answer questions about their newly retained position.

Met with another section, South Central, to prepare for joint hosting of the Spring 2021 Southeast Section Meeting to be held in Baton Rouge, LA.

Preparing to attend and assist the Fall Section meeting in Greensboro, NC.

Mae Marquet  
Immediate Past Governor

## **Secretary 2019 Fall Report**

I've served as Appalachian Aviatrixes Chapter and Scholarship Chair. At the request of President Jan McKenzie, I worked with Laura Ohrenberg, HQ Manager, to come up with suggestions for links on the International 99s website to help individuals looking for information on how to become a pilot.

I served on SES Bylaws Committee and attended the SES Spring Meeting in Pensacola. I started my tenth year on the International Publishing Committee as an editor and feature article writer. I attended the International Conference in Dayton, OH.

I attended two SES conference calls.

SES Secretary  
Janice Pelletti

## **Governor 2019 Fall Report**

I attended the Broadway musical, *Come From Away*, at the Saenger Theatre in New Orleans on June 1 with the NOLA Chapter.

I volunteered at the 43<sup>rd</sup> Annual Air Race Classic Start running the Hospitality Suite on June 13 - 18. The SE Section manned a 99s table to sign up racers who were not 99s. I signed up 6 new members. The ARC officials agreed to let the newly registered 99s compete in the 99 Award during the race.

I attended the 2019 International Conference in Dayton, Ohio on July 16-21. I was on a panel discussing hosting a Companion Flying Course. I attended the pre and post IBOD meeting and the Council of Governor's Meet and Greet. As the International Election Procedure Chairman, I administered the elections during the Annual Business Meeting.

I presided over two SE Section Board Meetings in June and August. The board discussed fundraising ideas and the upcoming section meeting.

I worked with the Mommy Pilot Chapter to help transition the chapter to the new Nashville Chapter.

I have communicated both by email and telephone with my Buddy Chapters; Paradise Coast, Georgia Flying Belles, and Spaceport.

I have continued Immediate Past Governor's transition of communicating with the SE Section members using Constant Contact by sending out at least two email blasts a month.

### NIFA 2019 Fall Report

NIFA 2019 will take place at Sun 'n Fun this year on November 3-7. The details for this event can be found at <http://www.polkstateflightteam.com/region-ix-safecon-2019/> And is hosted by Polk State College with Aaron Rajanen, Chief Judge. Each morning there will be a Judges' briefing in the Aerospace Pavilion next to the Museum at 0730. At this writing, we have nine 99s and two 49 ½ s coming to judge. More judges are needed on Tuesday since most of the flying events take place on this day and Aaron would prefer to have judges over using members of the flying teams on the flight line. Bring a folding chair, sunscreen, small cooler with drinks and/or snack and possibly an umbrella for shade. You will be out for the morning and again in the afternoon after lunch. YOU CAN VOLUNTEER FOR A FEW HOURS, ALL DAY OR ALL WEEK! YOUR CHOICE!

An AirBnB home has been reserved by Marilyn Shafer ([ProBBMom@gmail.com](mailto:ProBBMom@gmail.com)) with five bedrooms and a pool. Again, at this writing, there is availability for a bed for \$37 per night. Contact Marilyn for more details and to make your reservation.

We are also planning to host a social at the Sun 'n Fun 99s building on Clubhouse Row on Wednesday (November 6) 1600-1730 for the women involved in the competition. We will be providing hors d'oeuvres and beverages and telling them about the 99s and our scholarships that are available to members. If you can't volunteer as a judge, please feel free to join us at the building to welcome and socialize with these young women.

SE Section Report  
Fall SE Section Meeting  
Greensboro, NC / October 5, 2019  
Let's Fly Now! Committee

It is with pleasure that I submit this report for the Fall 2019 SE Section Meeting. The following are highlights about The Ninety-Nines, Inc.® *Let's Fly Now!* Program. *Let's Fly Now!* is an introductory flight program, generally free, targeting **females of flying age**.

The tagline shares the spirit of the program.

**EXPLORE** the wonders of aviation  
**DISCOVER** the magic of flight  
**IMAGINE** the possibilities for their future

This program encourages females, aged 14 and older, to fly for the first time. Ninety-Nines, Friends of the 99s, and other properly certified pilots provide their airplanes, fuel, and time to share their passion for aviation as they soar through the skies with women of flying age (*men and older children are also welcome*) and take them on their first flights. Many of our new pilots are in their 30s, 40s, and 50s. We hope to make an immediate and positive impact in the need for new pilots during the next few decades.

Communication about the program is a key to success. I made another presentation about *Let's Fly Now!* during the LIFT portion of the educational events at our International Conference in Dayton, OH in July 2019. I continue to serve as a resource to many of the chapters as they introduce the program for the first time. Beautiful and professional logbooks, as well as certificates, have been created for our passengers and may be ordered from headquarters. Forms have been updated and will be uploaded to the Library Section of the international website soon. I also created a trifold brochure that may be placed at FBOs, schools and universities, and other public areas. Jen Toplak, our graphic designer, is currently working her magic to make the brochure eye-catching and professional looking. It should be ready for printing soon.

Our partnerships with *King Schools* and *Dare to Fly* are progressing nicely. King will not only provide free short online courses and low cost online Private Pilot Courses to some of our passengers but also a 20% discount to our 99s members who use any of their products. *Dare to Fly* will provide up to materials for the aspiring Private Pilots who are awarded scholarships for training plus a 15% discount to 99s. Scholarships to win some of these courses for free will be available soon.

Terry Carbonell donated a beautiful seahorse quilt to raffle. The money raised from the raffle tickets will support our *Let's Fly Now!* Program. The winner, Brian Beck, was selected at our Awards Banquet at the International Conference in Dayton, OH in July 2019. We earned approximately \$2400 from sales.

*Let's Fly Now!* is an excellent tool for those of you who like to mentor others. It is a great recruiting tool and will surely become one of the 99s signature activities, just like air marking and PPLI. Many chapters throughout the USA and Canada plan to host a *Let's Fly Now!* Event on or about November 2, 2019 to celebrate the Ninety-Nines' 90<sup>th</sup> birthday. Let's make a huge 99s presence on that day. Please contact me if you need assistance in planning a *Let's Fly Now!* Event? If you are planning an event for the first time, please listen to the webinar, which is archived on The Ninety-Nines, Inc.® website.

Respectfully submitted,  
Myra Bugbee

**SE Section Report  
Fall SE Section Meeting  
Greensboro, NC / October 5, 2019  
WASP at Sun 'n' Fun 2020**

It is with pleasure that I submit this report for the Fall 2019 SE Section Meeting. The following are highlights about our plans for the WASP participation at Sun 'n' Fun 2020:

Sun 'n' Fun is scheduled for March 31 – April 5, 2020. Janice McWilliams has volunteered to help with the planning of the WASP at SNF 2020. We hope to have one or two WASP at Sun 'n' Fun this upcoming year. By 2020, our most active WASP will be 96 and 99 respectively. Bee Haydu will be 99 years old in December 2019. If she makes it to SNF, we would like for the 99s to help celebrate her 99<sup>th</sup> year. Since our WASP are aging and their stamina is not what it used to be, this will be a transition year. We'll plan for them to be active only one day, on Wednesday. They will talk on SNF radio and then participate in a panel at the WASP luncheon. If they feel like signing autographs and talking to people at the 99s House, they may be there after the luncheon. I've asked two military pilots from Pensacola, Lena C. Kaman and Kerry Sheridan, to join our WASP on stage at the luncheon. Our theme will be "*WASP: Opening Doors for the Future.*" We would like our guest speakers to share about how the WASP influenced or inspired them to become pilots. The discussion will highlight our military -- Past and Present. In the future, we hope to have powerful female pilots speak at our luncheon.

We have a small amount of funds left in our WASP account. However, we will need to do some fundraising to provide rooms for our WASP, their escorts, and our speakers. We will also provide meals for them from Tuesday evening through Wednesday evening. Please generously donate. We are also working on a fundraiser.

Respectfully submitted,  
Myra Bugbee

## **Appalachian Aviatrices Chapter**

### **Chairman Report Fall 2019**

The Appalachian Aviatrices moved their annual Aviation Celebration to June. This year the Commemorative Air Force brought three aircraft. Fifi, the B-29, was one of the featured aircraft. The Chapter sold jewelry, t-shirts and refreshments. Between the sales and donations, \$4330.00 was raised for Chapter scholarships.

This year the scholarship committee awarded four scholarships. Gracey McKinney received \$800 for a solo scholarship through the F.L.I.G.H.T. Foundation. This is a local non-profit organization that specializes in introducing young people to aviation. The founder donates his time, and with instruction in his C-152, he can solo students within the \$800 cost.

Meagan Harr and Lorianne Carver were each awarded \$1000 toward advanced flight training. Lee Stallings, from the Tennessee Chapter, received \$1000 toward her private training.

In July members attended a family cookout hosted by Lorianne Carver and her family at their family farm. Hot dogs and smore's were cooked over the bonfire.

On Labor Day weekend the Appalachian Aviatrices shared WWII aviation history as a part of a special 75<sup>th</sup> anniversary of D-Day event. A Walk in Their Boots, a re-enactor group, invited the Chapter to be part of this special celebration. The Chapter highlighted two local pioneer pilots. Helen Garst Jones, a local teacher, was selected as one of two teachers from each county in Tennessee to take pilot training so she could teach others. Mary Jane Dulaney Hilbert was the first certificated woman pilot in Virginia and the first airport station manager in the United States. She also taught pilots in the Civilian Pilot Training Program during WWII. The WASP were also featured. Appalachian Aviatrice Lorianne Carver presented WASP stories. Also helping at the event were 99 daughters, Lucy Carver and Olivia Smith. Ninety-Nine mom, Wendy Oliver, wearing her new "Ninety-Nine Mom" t-shirt pitched in too. The Chapter raised \$175 in sales and donations for their scholarship fund.
